

## Villa for Sale to Venezia Area: Murano

### **300 square meters | Bathrooms: 2 | Bedrooms: 4 | Rooms: 11**

VENICE MURANO, a few steps from the Duomo, (Santi Donato e Maria) we are offering a completely independent solution consisting of a villa surrounded by an exclusive outdoor area.

The house we are discussing is in a very quiet area, convenient to amenities, bright and airy, and well-maintained.

The layout of the rooms is as follows:

On the ground floor we enter, from two different entrances, onto a large planted garden that surrounds the house where, under a portico, we will find the large entrance from which the various rooms of the house will be located, including:

In addition to this large entrance hall, there is an eat-in kitchen, a dining room, a living room (with the possibility of another kitchen), a double bathroom, a pantry, two storage rooms and a large laundry room.

Going up the stairs, from the aforementioned entrance, on the first floor, we will find a hallway, 4 large double bedrooms, a bathroom and a large habitable terrace.

Finally, on the second floor, accessed by a retractable staircase, we will find a large attic with a skylight, still used as an attic, divided into three distinct rooms.

Independent gas heating and air conditioning.

Cadastral area excluding open areas equal to 256 m2

Asking price €570,000 negotiable
