VENICE, CASTLE

In San Pietro di Castello, one of the most authentic and evocative locations in Venice, an apartment combining tranquility, light, and a quintessential Venetian atmosphere is offered for sale. The property is located in a well-maintained residential area, just steps from the Basilica of the same name and its characteristic canal views, in an area well-connected to services and vaporettos, yet far from the heaviest tourist crowds.

The interiors are welcoming and well-arranged. The approximately 100-square-meter apartment, spread over two levels, is characterized by bright spaces. The second floor houses the sleeping area, consisting of a double bedroom, a generously sized single bedroom, and a bathroom with a window and shower. On the same level is a second bathroom with a window and shower.

The property's true added value is the spacious roof terrace, an exclusive space offering 360-degree views of Venice, including a privileged glimpse of the Basilica of San Pietro di Castello. An ideal solution for those who want to experience the city from a unique perspective, in a serene and charming residential setting.
