

Flat for Sale to Venezia Area: Mestre

50 square meters | Bathrooms: 1 | Bedrooms: 1 | Rooms: 3

VENICE □ MESTRE

Completely renovated apartments in the heart of Mestre, part of a residential complex comprising five units, all located on the first floor of a two-story building, offer a modern, efficient solution designed to ensure maximum living comfort.

Sizes start at 50 square meters, with spaces designed to optimize light, functionality, and daily livability. Each unit opens onto an elegant open-plan space that combines the kitchen and living room in a unique and welcoming atmosphere, ideal for those who appreciate contemporary spaces.

The double bedroom is designed to offer tranquility and order, while the bathroom with shower features modern finishes and clean lines.

The large terraces expand the usable surface area, creating a natural extension of the living area and offering the perfect space for outdoor moments.

The apartments are undergoing a complete renovation and will be delivered with an A4 energy rating, thanks to a suite of features including solar panels, independent heating, and double-glazed PVC windows and doors, ensuring thermal and acoustic insulation, reduced energy consumption, and a high level of comfort. The location is particularly strategic: just steps away are tram and bus stops, providing quick connections to Venice and the main urban routes, making these solutions ideal for both residents and investors.

Asking price starting from €200,000
